

GIRLS' NIGHT OUT

at

Wausau Skeet & Trap Club

Never tried shotgun clay target shooting?

Tried it, liked it, want to do more?

Want to be a *better* shooter?

WS&TC's Women's Trap League

introduces you to clay target shooting, and assists you to become a better shooter. The result? You'll break more targets!

To join in the FUN ...

- **\$35 WS&TC Club Membership**
Family membership includes spouse & children
- **\$40 League Fee**
Covers your 10 league rounds of clay targets & wrap-up party & prizes
- **Practice Rounds**
As a WS&TC member, you may purchase 10-round Trap / Skeet Bonus Cards for \$35

You will need:

These items are available to use from WS&TC at no charge:

- Eye protection (note: your regular glasses / sunglasses qualify)
- Ear protection: muffs (remove 'dangling' earrings before shooting; note that muffs may get in the way of proper gun mount)
- Shotgun: 12 or 20 gauge
- Shooting Vest or Shell bag

You may purchase these items at WS&TC or bring your own:

- Ear Protection—plugs (preferred) we have women / youth sized plugs
- Shotgun shells: size 7 1/2 or 8 "target loads" 25 per round; have at least 50 (2 boxes) each night

A few words about shotguns: one size does NOT fit all!

If you bring a shotgun, we'll show you how it fits you or doesn't, and how it should fit you for the best shooting experience. Typically, your spouse/partner/dad's shotgun is too long in a number of areas.

We have a supply of shotguns that are specifically sized for ladies and youth.

What about recoil or "kick"?

We've specified 'target loads' for shells as these have less fire power than hunting loads.

The WS&TC shotguns were chosen to have minimal recoil ... and we'll instruct you in the proper way to hold the shotgun to minimize recoil (kick).

We'll supply:

- Orientation to shotgun target shooting
- Education: Handling a shotgun safely
- Gun Fit: Choosing the right size shotgun for you
- Coaches who are experienced shooters and/or NRA Certified Shotgun Coaches
- Weekly instruction and tips for safe, fun, accurate shooting

DATES: MONDAYS from 5 pm to 8 pm

JUNE 13, 20, 27

Our first session will include orientation; we'll repeat this for any who join at a later date

JULY 11, 18, 25

AUGUST 1, 8, 15, 22-grand finale party & fun shoot

Here's how it works:

3-person teams

You may sign up as a team with your friends, or as an individual—then we'll put together the teams.

You may shoot league scores as a team or separately if your schedule doesn't permit.

10 League Scores

Your 10 league scores can be shot 1 or more round (25 targets) per night, with the final score shot before August 22. You may shoot ahead or shoot make-up scores.

You may shoot practice rounds at the club-member fee on league night, or also on Tuesday, Wednesday or Thursday during regular club hours.

What is TRAP?

(a lot of fun!)

A machine (the trap) throws round clay targets at any of 5 angles as shown by the stars above.

Shooters stand on concrete pads (like a sidewalk) shown by the numbers above.

“PULL!”

“Pull” is the command given by the shooter for a clay target to be released from the trap.

Shooter #1 fires at one clay target, shooter #2 fires at one clay target, and so on. After each shooter has shot 5 times, they move to the next pad. This continues until each shooter has shot 25 times.

Wausau Skeet & Trap Club offers the widest variety of shotgun shooting sports available in North Central Wisconsin.

The club is located north of Wausau / south of Merrill:

Hwy 39/51 north from Wausau to the Brokaw exit #197. Turn right (east) off the ramp onto Cty WW thru Brokaw. We're at the top of the hill on the left.

OR from Cty W: turn west at Brokaw Corners Bar & Restaurant. Continue 1/2 mile; we're on the right.

Address: T196 Country Road WW, Wausau WI 54403

Phone: 715-675-7227
